SUBJECT.

Proposal to recover an annual assessment of ₹79.8.0 on the extent 57.82 acres of dry land wrongfully enjoyed by Service Inamdars in Shrotriam Kakabal village, Hospet Taluk, Bellary District.

From

The Mysore Government Agent
for Sri Vyasaraya Swami Matt

No. 52 dated 22nd April 1908.

The Government Agent in his report above mentioned brings to notice that an extent of 56.46 acres of dry land is shown less in the village accounts than the extent endowed to the Sonda Sri Vyasaraya Swami Matt in the Shrotriam Kakabal Village, Hospet Taluk, Bellary District as per Inam Title Deed No. 1965 dated 6th March 1863.

2 The extent of land above referred to has, from a long time,

with a slight difference of 1.36 acres (more) ~~less~~ been enjoyed by the Service Inamdars though it did not really belong to them — a fact appears to have been detected so far back as the year 1860 or 1861 when the Inam Settlement enquiry took place. One Doddappa the Karnam of the village has explained to the Govt Agent that a remark throwing light on the above point has been made on the Inam Register of Fasle 1270.

3. Since last year the village Servants of Kakatal are being remunerated by monthly salaries all their Service Inams having been fully assessed by Government excepting the extent of 57.82 acres of land now under reference and in addition to the salary they have been wrongfully enjoying the said land the assessment of which is Rs 79. 8. 0 per year.

4 The Govt Agent ~~Bengaluru~~ Reference to ~~Bengaluru~~ that the only way to recover to the suit the annual assessment of Rs 79. 8. 0 would be

to tender Pattas to the holders of the land and insist upon their giving muchalikas for the next fasli 1318 under sections 3 and 4 of Madras Act VIII of 1865. He fears that the holders of land, on the score of long enjoyment, would refuse to take Pattas & to furnish muchalikas and in that case it would be necessary for him to take summary proceedings against them under section 9 of the above Act and under the orders of the Executive Govt & force them to accept Pattas and sign muchalikas.

This may be reserved for discussion in person when the Govt Agent comes here.

Hospet Taluk & Bellary Dist.

Sir,

I respectfully beg to [illegible]

that under the [illegible] dated 3 & 16 March 1863 [illegible]

for the [illegible] in the [illegible] village, Hadagali, [illegible] Taluk Bellary Dist. But for an [illegible] village as [illegible] and actual [illegible] of the [illegible] 2872 [illegible] 1865 [illegible] shewing [illegible] reference [illegible]

During the
ears of Kakkabal village although 191.41 acres
was enjoyed as village Service Inam only 133
acres have been enfranchised leaving out 57.82
land as shown in the margin*

The extent with a slight difference of 1.36 acres
over up the deficiency above referred to.

Karnam Sadhasiva of Kakabak explains
at the marginal noted Service Inam land 57.82
acres in extent were discovered during the Inam Settle
ment enquiry so far back as 1860 or 1861 to be a part
the mail land and was omitted to be recognized
as Service Inam land. Some remark to throw
light on this point have, he says, been made in the
Register of Fasli 1270 the mail authorities at the
time do not seem to have taken steps to get the
village account accordingly altered and also to get
stored to the mail the extent of land wrongly enjoyed
as Service Inam lands

I beg to point out that the Sheristadar
was originally appointed by monthly Salaries and
enjoy 57.82 acres of land free of assessment which
ally belongs to the Shrotriamdar being a portion of
land also set for the support of the Shrotriamdar
of the Inam village referred to in that is thereby deprived
an annual income of Rs 77.8.0. Therefore in the
event of this portion of the mail in the 57.82 acres
land being also enjoyed by the Service Inamdar
owned in the margin it is but right that for as for

the Shroff should remit to me
or Pants for payment to the mail of Rs 19.8.0
and muchalkas taken from them under sections
and 4 of Madras Act VIII of 1865.

6 It is very probable that the holders of
land under the scene of Longer jopeul refuse
to accept Pattas and sign muchalkas. It will
then be necessary for us to take summary pro
ceedings against them under section 9 of the
above Act and under the orders of the Revenue
Court force them to accept Pattas and sign
muchalikas.

7 I request the favor of orders as to
whether I may take the steps as above indicated
to enforce the right of the mail for the recov-
ery of an annual rent of Rs 79.8.0.

I beg to remain

your most obedient Servant.
